DETAILED ACTION

1. This Office Action is responsive to the Amendment filed on 12/28/06.

Accordingly, claims 17-22 are currently pending; and claims 1-16 are canceled.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

-In claim 20, line 10, the phrase "the application server" is changed to --
an application server--.

3. Note that the above examiner's amendment is necessary because the phrase "the application server" is lack of antecedent basis.

REASONS FOR ALLOWANCE

4. Claims 17-22 are allowed.
5. The following is an examiner's statement of reasons for allowance:

–Regarding to independent claim 17, none of prior art of record teaches or suggests a method, as claimed, wherein the method comprises procedures of storing a user profile of a mobile terminal at a user profile server, the user profile including a local directory number for a service, wherein the user profile is in communication with an application server; instructing a home location register to set an event notification flag to notify the application server whenever the mobile terminal changes location; automatically updating the local directory number for the service in the subscriber profile whenever the mobile terminal changes location; and forwarding the updated local directory number to the mobile terminal.

–Regarding to claim 20, none of prior art of record teaches or suggests a system, as claimed, wherein the system comprises devices of storing a user profile of a mobile terminal at a user profile server, the user profile including a local directory number for a service; instructing a home location register to set an event notification flag to notify an application server whenever the mobile terminal changes location; automatically updating the local directory number for the service in the subscriber profile whenever the mobile terminal changes

location; and forwarding the updated local directory number to the mobile terminal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
